

March 14 1946

Mr Geo. A. Robinson
311 W. Duval St.
Jacksonville Fla.

Dear Sir:

I had told you I would write by the last of the past week, and let you know if I wanted the date of April 19th to play in Jacksonville. I did not write before, as I could not get my schedule arranged until our schedule meeting in Baltimore the 12th. If we can still have the date we will take it.

Next I would like to tell you, we have had a back stop made to use at the ballpark. It is being shipped by Railway Express to the address Mrs Dwight gave me. It is made in sections so it can be taken down for storage and shipping. If you would want to use it when we are not there training, I am sure it can be done.

Please let me know if the 19th is still available.

Very Truly Yours
